Submitted. At first the D. F. Board of Kadur resolved to open a dispensary at Baker, but from want of funds for the maintenance of a regular dispensary at the place, they proposed to establish a temporary dispensary at Banka on weekly Sante days. The payment of allowance is for existing Bankal and not for Baker. The topo map shows that Banka is between Mudgere and Baker and is about 8½ miles from Mudgere and about 2½ miles from Baker. The two dispensary is to be opened temporarily at Baker and, no payment of pro rata is proposed for the same.
